MY PROFILE

Hi!

I'm Tawsif Rahman Shopnil, a UI/UX Designer and Web Developer. With my proficiency in designing user interfaces for both mobile and web platforms using Figma and Adobe Xd, I excel at creating visually appealing and user-friendly designs. I am also skilled in MySQL database management and backend development, which enables me to build strong database and backend of web applications. As a Hackerrank and LinkedIn SQL skill certified professional, I have a proven ability to develop responsive web applications.
